

# A GREAT LEADER IS ...

The pandemic has been more than a global health and economic crisis. As surveys done last year reveal, it has reshaped many workers' views of the C-suite.

In multiple surveys sent throughout 2020 to various groups, we asked **which words** they would most often use to describe a good leader. **Here's what they said:**

**In another survey sent at different times last year, we asked respondents what they look for in their leader. Here's what they said:**
