

Ryan Jones has over six years of experience in commercial real estate, financial and data analysis and transformational leadership. He has worked as a commercial mortgage credit analyst for a commercial real estate brokerage where he enhanced their reporting tools using the latest data analysis technology, supported asset managers to mitigate risks related to commercial mortgages and helped modernize the company's online systems.

Ryan holds a Bachelor of Science in Mathematics/Economics from UCLA and a Master of Science in International Management from the Prague University of Economics and Business. Ryan has worked with Procter and Gamble in managerial finance supporting sales teams with financial analysis insight. Ryan has also worked with a top management consultancy in the European banking sector where he provided market analysis and optimized client operating models.

Ryan is passionate about other cultures, the outdoors, yoga and mindfulness. He lived in Prague for four years and during this time traveled to over 25 countries and climbed Mount Kilimanjaro. Ryan is an Eagle Scout and received the Order of the Arrow's Distinguished Service Award, which is the highest honor that the Boy Scouts can bestow upon its members for service to lodge, council and Scouting.
